18 (eighteen) geocaches have been placed throughout Rusk County containing 20 clues. Most of the caches are easy to moderate in difficulty and terrain, and are a variety of sizes (micro=screw heads, small= pill bottles, and regular size=small ammo can). Inside each cache is a clue. The caches are numbered below; when you find a cache write down the clue found inside. All the clue's lead to one answer of something to do with or found in Rusk County. It could be a person, place, event, etc. from the past or today.

3 Ways to Win

1. All teams that turn in an entry form will be entered in a drawing for (10) \$25 Chamber Dollar certificates. Teams will be entered in the drawing according to the number of clues that they have found. (i.e. 5 clues found = 5 entries, the more you find the better your chances of winning)
2. The first 50 teams that submit this entry form with at least of 11 of the 20 clues found, will receive a Rusk County Geocaching gift.
3. All teams that correctly solve the final answer will be entered for a drawing for the grand prizes. The Grand Prize is a \$300 Rusk County gift package, second grand prize is a \$200 Rusk County gift package, and third prize is a \$100 gift package.
